

## ARTWORK WITH BORDERS

Minimum border thickness must be 1/4" (0.25") thick plus the 1/8" (0.125") bleed for correct print ready artwork. Total border size from the bleed line is 3/8" (0.375"). Border example on left.

### bleed

Artwork that reaches the cutline needs to extend to the edge of the red line.

### cut line

This is where your artwork will be trimmed.  
(Finished size ordered)

### safety

All text must be kept within the blue line
