

ARTWORK WITH BORDERS

Minimum border thickness must be 1/4" (0.25") thick plus the 1/8" (0.125") bleed for correct print ready artwork. Total border size from the bleed line is 3/8" (0.375"). Border example on left.

bleed —————→
Artwork that reaches the cutline needs to extend to the edge of the **red line**.

cut line —————→
This is where your artwork will be trimmed.
(Finished size ordered)

safety —————→
All text must be kept within the **blue line**
