

## ARTWORK WITH BORDERS

Minimum border thickness must be 1/4" (0.25") thick plus the 1/8" (0.125") bleed for correct print ready artwork. Total border size from the bleed line is 3/8" (0.375"). Border example on left.

**bleed** —————→  
Artwork that reaches the cutline needs to extend to the edge of the **red line**.

**cut line** —————→  
This is where your artwork will be trimmed.  
(Finished size ordered)

**safety** —————→  
All text must be kept within the **blue line**
