bleed

Artwork that reaches the cutline needs to extend to the edge of the **red line**.

ARTWORK WITH BORDERS

Minimum border thickness must be 1/4" (0.25") thick plus the 1/8" (0.125") bleed for correct print ready artwork. Total border size from the bleed line is 3/8" (0.375"). Border example on left.

Please delete this guideline before submitting your design to print.

cut line

This is where your artwork will be trimmed.
(Finished size ordered)

safety

All text must be kept within the **blue line**
